Re: Permit Review Status, Rosebud Mine, M/003/026, Box Elder County, Utah

Dear Mr. Thomas:

On July 16, 1999, the Division received your plan for the Rosebud mine. There was additional information requested that needed to accompany the application. On November 3, 1999 we received the last of the required information known at that time. Due to a backlog of other permit reviews, the Division has not been able to complete a review of this plan within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

A handwritten signature in cursive script that reads "Joelle Burns".
